**AIM:**

To provide guidance for proper performance of Association Executive duties.

**SCOPE:**

These policies are binding upon all members of the Vaughan Professional Fire Fighters Association and the Executive Board, including the President, Vice President, Secretary and Treasurer as well as all other elected or appointed officials. Where a conflict between these policies and the Constitution of the VPFPA can be shown, the Constitution shall be deemed to be of higher authority and take precedence.

**AMENDMENTS:**

Amendments to these policies must be submitted by an Executive Committee Member in writing to the Secretary before any Executive meeting. The amendment shall be read at the meeting and if it is seconded, it shall be read, discussed, and voted on. A two-thirds (2/3) majority vote in favour of the amendment shall be required to adopt it. The same procedure shall be followed in order to remove any item from this policy manual.

Policies concerning the financial transactions of the Association are determined by the members during the budget review at the General Meeting in June. Therefore, policies:

- 18 Budget,
- 19 Allocation of Association Funds,
- 20 Remuneration, and
- 21 Credit Cards

A motion must be put forth at a general meeting by the Executive in order to remove an Executive Member. All Constitution and Bylaws of the VPFFA must be followed. The Grievance Chairman is responsible for ensuring that timelines in the grievance procedure are met. All grievances that are filed at Stage 2 shall be reported to the Executive Board at the next Executive Meeting.

If, after Stage 3 of the Grievance Procedure, an issue remains unresolved, the Grievance Chairman shall present the facts of the case to the Executive Board and call for a vote to proceed to arbitration. The Chairman may access any Association resources required to present a clear picture of the case to the Executive Board.

In cases of a sensitive nature, the Grievance Committee may choose to omit the sensitive details when presenting a case to the Executive Board; however, the members of the committee must be fully informed so that they can participate in full discussions of the issues.

- Executive Meetings, and
- General Meetings, and

- Conventions, Seminars or Conferences specifically assigned by the VPFPA Constitution
- Grievance or Interest Arbitrations where the member is required to attend.

In all other situations verbal approval from the President must be obtained before the shift change occurs. For situations that involve the President, the President must obtain verbal approval from the Treasurer before the shift change occurs.

A shift change shall be six (6) hours, twelve (12) hours or twenty-four (24) hours. When the duties of an Executive Board Member for the VPFPA and his or her duties for the VFRS overlap, a shift change shall be obtained for the portion of time that overlaps. If the overlap is more than six (6) hours, then a 12hr shift change shall be obtained or if the total time for VPFPA duties is over twelve (12) hours, then a shift change for the entire shift (24hr) shall be obtained.

An Association shift change can be used in lieu of compensation, it may occur within the month that the hours of work have been completed, unless approved by the President/Treasurer. No hourly rate compensation will be provided if an Executive Member uses a shift change for Association work. An Association Deferred Hours shift change will be provided when Association work is done prior to, or after, an Executive member's normal work hours. Since the President is compensated by salary, all deferred hours will be deducted from his/her monthly hours.

All Executive Members, including the President, must clearly define their deferred hours on their monthly expense sheets. If deferring hours are being carried over from month to month (i.e. banked), all hours accumulated from June 1<sup>st</sup> must be used by Nov 30<sup>th</sup>. Hours accumulated from Jan 1<sup>st</sup> must be used by the fiscal year end, May 31<sup>st</sup>. There shall be no carryover of deferred hours into a new fiscal year. Should there be a balance of hours in the "deferred bank", all hours shall be paid out by the end of the fiscal year.

Only members in good standing may perform a shift change for an Executive Board Member or other member. The time and date of the shift change as well as the shift length (e.g., 6 hours, 12 hours, or 24 hours) shall be communicated to the member performing the change. After the shift change is worked, the Executive Board Member or other member shall submit the details of the shift change in writing to the President for final approval and payment by the Treasurer.

If a barbeque or television is reported as being broken or worn-out, an Executive Member will examine it as soon as possible to determine if it can be repaired or if it should be replaced. The Executive Member will report the status of the item to the President and the Treasurer. The President may authorize funds, if they are available, to repair or replace the item and delegate an Executive Member to make the appropriate arrangements. All expenditures over \$100 (one hundred) will be reported at the next regular meeting. The purchase of new station supplies shall not exceed \$500 (five hundred) for barbeques or \$500 (five hundred) for televisions.
